

2 March 1965

MEMORANDUM FOR THE RECORD

Subject: Request for Data on Records Management Program, Budget Division

1. [] OB/PAM requested Statistical Charts and Data on the operations of the Agency Records Administration Program. This information is needed in connection with the report to be submitted to the Bureau of Budget concerning President Johnson's interest in economies through Paperwork Management.

STAT

2. I discussed this request with [] EO,DD/S who had some reservations about releasing the data to OB/PAM. He referred the request to Col. White who authorized me to give the data to them with the proviso that OB/PAM discusses this with him before making any presentation to the Bureau of Budget using this data.

STAT

3. On 3 March, I furnished the following Charts to [] OB/PAM.
